

## DONATIONS

To continue to stage the Mario Savio Memorial Lecture, pay for the travel expenses of the people involved, offer the honoraria necessary to attract the very best progressive speakers, and increase the value of the Young Activist Award (our goal is a \$10,000 award), we need your support. Gifts and bequests, large and small, are welcome.

**Contributions are tax deductible.** Write to us, also, for information about the advantages of making gifts of appreciated stock, for which the tax benefits are even greater. Contributors, if they wish, will receive a CD or cassette tape of the current year's lecture (or may request that of a previous year).
